WORK EXPERIENCE

Senior Creative Producer

Jamul Casino Resort | 2023 - Present

- Lead end to end multimedia production including motion graphics, video, digital design, and print across a large scale resort property.
- Manage creative workflows, timelines, and priorities across multiple concurrent campaigns and departments.
- Serve as hands on senior motion designer and video editor while guiding execution standards and visual consistency.
- Partner with marketing, operations, and technical teams to deploy content across resort wide digital display networks and online channels.
- Oversee production of email campaigns, digital signage, video content, motion graphics, and print assets supporting events and promotions.

Video Editor and Animator III

Rescue Agency | 2022 - 2023

- Supported agency clients by delivering high quality video and motion graphics across broadcast, digital, and social platforms.
- Managed post production workflows including editorial decisions, rough cuts, audio adjustment, color correction, graphics, and final delivery.
- Integrated animation, typography, and motion effects into live action footage using Adobe Premiere and After Effects.
- Collaborated with producers, creatives, and account teams in a fast paced agency environment.
